

Winter Camp Packing List

Outerwear: Cubs should bring warm, water-repellent and lightweight winter clothing. Proper winter boots are a must (rubber boots are not appropriate for cold conditions). Hats, scarves & mitts are a MUST (gloves aren't as warm as mittens).

Sleepwear: Warm pajamas and a pair of dry socks are a must for comfort and warmth as sweat soaked clothing will not keep you warm in bed.

Packing items: Please pack all of your gear into a single duffel/hockey bag. Cubs should pack their own bags with a parent so they know what they have and where it is!

Checklist

The following list will give you a good idea of the things we feel are most necessary at a Winter Camp. It is by no means exhaustive and you may add to it as you see fit.

Sleeping Bag	Winter Parka/Coat
Pillow (if desired)	Winter Snow Pants
Campfire Blanket	Winter Hat & Scarf
Mattress (air/foam)	2-3 mittens/gloves
Towel & Washcloth	Winter Boots
Toiletries (Soap, Comb, Toothbrush & Toothpaste)	3 Pair of underwear
Eating Utensils (Plate, Bowl, Mug, & Cutlery) non-breakable in mesh bag	2 Pair warm Pants
Kleenex	Running Shoes (for indoors)
Chapstick for lips	3 Pair of Socks
Flashlight	2 Sweatshirt and/or Sweater
Compass (if available)	3 T-Shirts
Books / Quiet Games (NO ELECTRONIC GAMES)	1 pair of Sweat Pants / Long underwear
Full Water bottle with name on it	WARM Pajamas
	Plastic Bag for Wet Clothing

Identify all gear (including utensils) with your **name!**

Valuables

Please use caution when sending things that have special value or that may be damaged at camp!

Medications

Any medications the participant is currently taking/requires (including non-prescription items) should be placed in a baggie, clearly marked as to ownership and with dosing schedule, and handed to Akela at beginning of camp.
